SIZE OF TAP REQUESTED ⁽²⁾: Domestic _____ Fire _____ Irrigation _____

1. Contractor must obtain the road opening permit and perform all excavation.
2. SMCMUA shall install the tap. **The Property Owner is not permitted to tap our main or turn the water on, for any reason, without contacting SMCMUA.** This is considered theft of service and is subject to substantial fines.
3. If SMCMUA determines that a cut-in tee is required, SMCMUA will obtain the shut-down for the Contractor to perform the work.
4. SMCMUA will supply all materials, from the corporation stop to the curb stop, for copper service taps (with the exception of service saddles). The Contractor shall supply service saddles and all materials for taps greater than 2-inches, including the tapping sleeve and valve. The Contractor shall provide cut-sheets for approval.

SMCMUA will calculate the tapping fee and connection fee per the SMCMUA's Rules and Regulations. The tap will be scheduled upon receipt of payment and approved cut sheets.
